The breath-taking views sweep you off your feet right at the entrance. A large entrance hall opens to the living space with the sea horizon right across. There is a well-shaped terrace in the living room which acts as an impressive and practical extension of the living room. There are two additional rooms with another terrace and a bathroom and a kitchen with its own loggia (storage space), plus a guest toilet in the hall.

The panoramic views are omnipresent and spectacular in every single room, spreading from the Casino Square with its iconic landmarks, to the Italian coast and majestic mountains behind, full of twinkling lights at night.

The property is currently set up as a 1-bedroom with an office and it could also be perfectly remodelled as a 2-bedroom apartment.

The building offers 24/7 concierge and security service. There's also a convenient supermarket right next to it. The residence is located on a quiet street, yet all the best restaurants, 5* hotels and designer shops are a stone's throw away. There is 1 parking space and 2 cellars included and another parking space can be acquired in addition.
