The Parc Saint Roman is one of Monaco's tallest residential towers, reaching approx. 108 metres in height, over 33 floors. The development includes 390 units that range in size from studios to penthouses, some larger than 500 m. Many of the apartments offer lovely sea views from the Italian Riviera in the east, across Monaco, to Cap Ferrat in the west - plus views to the city and mountains.

The Parc Saint Roman offers a fitness centre, a very large pool, a sauna and snack bar for residents. Other facilities include a 24/7 concierge/security services, including CCTV.

The district of La Rousse - Saint Roman is located at the north-eastern edge of Monaco, near the border with France. The location is serene and peaceful and in close proximity to the Larvotto Beach, Monte Carlo Beach Club, shops and restaurants - approximately a twenty minute walk from the centre and ten minutes by car.
